GP ADHD Shared Care Program:

Child & Adolescent Mental Health Services (CAMHS)

Attention Deficit Hyperactivity Disorder (ADHD) and/or Autism Spectrum Disorder (ASD) Assessment Services, April 2026

Assessments for ADHD and/or ASD in South Australia need a referral from your GP to:

- A public or private Paediatrician
- A private Child Psychiatrist

ADHD ONLY: Alternatively children aged 8 years and above with suspected ADHD can see an Accredited ADHD GP – for more information go to https://www.racgp.org.au/the-racgp/faculties/sa. Accredited GP providers are listed at https://www.racgp.org.au/the-racgp/faculties/sa/adhd

Public ADHD & ASD Assessment Services in SA (GP referral required):

1. SA Health Metropolitan Paediatric Outpatients

- Flinders Medical Centre
- Lyell McEwin Hospital / Modbury Hospital
- Women's & Children's Hospital

2. SA Health Metropolitan Child Development Units (specific criteria apply)

- Women's & Children's Hospital – Child Development Unit
- Flinders Medical Centre – Children's Assessment Team
- Lyell McEwin Hospital – Gordon McKay Child Development Unit
- More information: SA Health - Child Development Unit

CAMHS Services:

At this time, CAMHS does not provide assessments for ADHD or ASD. CAMHS does provide an ADHD Transition Psychiatry Service. This is a **single ADHD Transition Psychiatry visit** for public paediatric outpatients transitioning to adult services at age 18. For more information, visit: https://www.wch.sa.gov.au/professionals/clinical-resources/gp-collaborative-and-shared-care

Additional Support:

For expert advice on ASD assessments, contact **Autism SA** at **1300 288 476** or visit their website. If you need further assistance, please speak with your GP.
